

CHANDIGARH POLLUTION CONTROL COMMITTEE

Notice Inviting Expression of Interest from Organizations for undertaking inventorization of e-waste in Chandigarh.

The E-Waste (Management and Handling) Rules, 2011 applies to every producer, consumer, bulk-consumer involved in manufacture, sale, purchase and processing of electronic and electrical equipment or component. Chandigarh Pollution Control Committee intends to engage organizations for undertaking inventorization of e-waste in Chandigarh with primary objective to channelize the E-waste generated in the country for environmentally sound recycling which is largely controlled by the un-organized sector who are adopting crude practices that results into higher pollution and less recovery, thereby causing wastages of precious resources and damage to environment.

Expression of Interest from capable and experienced Consultants/Consultancy Organizations in the field of inventorization of electronic waste are invited to enable Chandigarh Pollution Control Committee to shortlist eligible organisations for the purpose of inventorization of e-waste.

Organizations must satisfy the following criteria, to be eligible for shortlisting :

- (a) Should have done atleast one similar type of work.
- (b) Should have facilities for surveying and collection of data.
- (c) Should be able to commit a team of professionals with knowledge of local language.
- (d) Should view over its effectiveness in similar other neighboring States including impact of inventorization of e-waste.
- (e) Strategy used for implementing the process of inventorization of e-waste.

Expression of Interest will be screened by a Committee, for short listing. Short-listed organizations will be invited to participate in the tender process in two parts (technical and financial) for final selection by an Evaluation Committee.

Interested Organizations may submit their EOI giving their background, turnover, list of professional & other relevant details on or before **9th November, 2012 by 5 pm**, at the following address :
