If any officer is found to have failed to take prompt and expeditious action to ensure the strict compliance of the above mentioned directions, he will render himself liable to strict disciplinary action apart from any penal action as may be called for against him for failure to discharge the official duty.
10. In order to maintain peace and calm in the polling stations during polling period on the date of poll and to maintain law and order, the Commission hereby directs that **use of cell phones shall not be permitted and people should not use them inside the polling station and these instruments should be kept in silent mode inside the polling station.** If there any violation is noticed, the Presiding Officer of the polling station can seize the instrument till the completion of poll.
11. No cellular phones, cordless phones, wireless sets etc. in any case, be allowed inside the halls for counting of votes for the said election.

These restrictions, however, will not apply to the officers in charge of law and order and security personnel put on duty as well as Observer/Returning Officer appointed by the State Election Commission and the officers appointed for the counting centre.

12. The polling agents may be allowed to carry their copy of electoral rolls inside the polling station and make tick marks whenever voters cast their vote. However, it is clarified that under no circumstances, the polling agents can be allowed to carry the electoral roll copy available with him outside the polling

station during the course of the polling and till the polling is closed either by himself or through a relieving agent. It is also clarified that under no circumstances, the polling agents are allowed to note down or to send slips outside indicating the Serial Numbers of the voters, who have voted or not voted.

13. It has been found in the past that some anti-social and Goonda elements are used by political parties/candidates to man the candidate's booth office (beyond 80 meters, one table and two chairs). Such elements' presence in the vicinity of the polling station may intimidate and vitiate the atmosphere for a free and fair poll. Having considered this, the Commission directs as under:-

- (i) The persons who are nominated by the candidates to man such booths shall be a voter in the same polling station area. He shall also have an EPIC and whenever any Sector Officer/Sector Police Officer/Election Observer/RO/ARO asks the person to disclose his identity, he will show the EPIC.
- (ii) The candidates shall take care to ensure that they do not put any person with criminal antecedents on the job to man such booths.

In case these instructions are not followed by any political party/candidate, immediate action shall be taken by the Returning Officer. Besides, the local police shall also keep a close watch over the movement of such persons so that they do not create any disturbance in the polling area or in the vicinity.

14. The candidates set up and operate temporary office for the purpose of local campaign. The Commission, after taking into consideration all relevant factors, prescribes the following guidelines to be followed in this regard:-

- i) No such office will be opened by way of any encroachment either on public or private property.
- ii) No such offices will be opened in any religious places or campus of such religious places.
- iii) No such offices will be opened contiguous to any educational institution/hospital.

- iv) No such offices will be opened within 80 meters of a polling station.
- v) Such offices can display only one flag and banner with candidate's symbol/photograph.
- vi) The size of the banner used in such offices should not exceed **'4 feet x 8 feet'** subject to further condition that if the local laws prescribe a lower size for banner/hoarding etc; then the lower size prescribed by local law shall prevail upon.

OBSERVANCES OF PROHIBITION OF CANVASSING:-

The Police has to remain in the area of the concerned ward where election is being held during the campaign period till late mid night for maintaining peace and harmony and to prevent any untoward incidence and poll is fixed at 8.00 A.M. next day when police deployment is made at all the polling stations for patrolling in entire area, for emergency duties etc. etc. Thus, the police authorities have a little time to switch over to the next phase. Besides, possibilities of violation of activities before the poll cannot be ruled out even late at night.

Election campaigns are conducted by candidates to inform the voters of their programme and to enable the voters to make informed choice while exercising their franchise. In order to ensure free & fair poll and to ensure proper arrangements for polling, the campaigns can commence from the time the election is announced. **Election campaign will end twenty four hours before the time set for close of poll.** Thus, for example, if polling ends at 5.00 P.M. on 18.12.2016 the campaign would end at 5.00 P.M. on 17.12.2016. Such a reasonable restriction is necessary to ensure that proper police arrangements can be made to ensure free and fair poll. All parties and candidates are requested to strictly observe the campaign period as well as follow the Model Code of Conduct.

S.K. SRIVASTAVA
State Election Commissioner,
U.T., Chandigarh.
