# USER MANUAL

***EXCISE AND TAXATION DEPARTMENT  
CHANDIGARH ADMINISTRATION***

In order to have better monitoring of tax administration and to facilitate the dealers/taxpayers, henceforth, all the taxable persons registered with the Excise & Taxation Department, Union Territory, Chandigarh have been given the facility to receive the statutory declaration forms i.e. C, F , H forms at their doorstep through courier.

The whole process is divided in to following three steps:

1. Fill the statutory forms details in the excel sheet in a prescribed format provided by the department.
2. Convert the excel sheet to XML by using Excel to XML converter software.
3. Upload the XML file on the Chandigarh EFiling website.

## Step 1: Excel sheet

In order to request for new Statutory forms, dealer has to give pre-requisite information to the department about the seller to whom statutory forms i.e. C, F, H are to be issued like seller tin , seller trade name, amount against single statutory form, quarter for which statutory form is to be issued.

Following is the Form\_Request.xls excel sheet which is required to be filled by the dealer in order to request for new Statutory forms.

Blank excel sheet can be downloaded from the website  
[http://www.chandigarh.gov.in/how\\_evat.htm](http://www.chandigarh.gov.in/how_evat.htm)

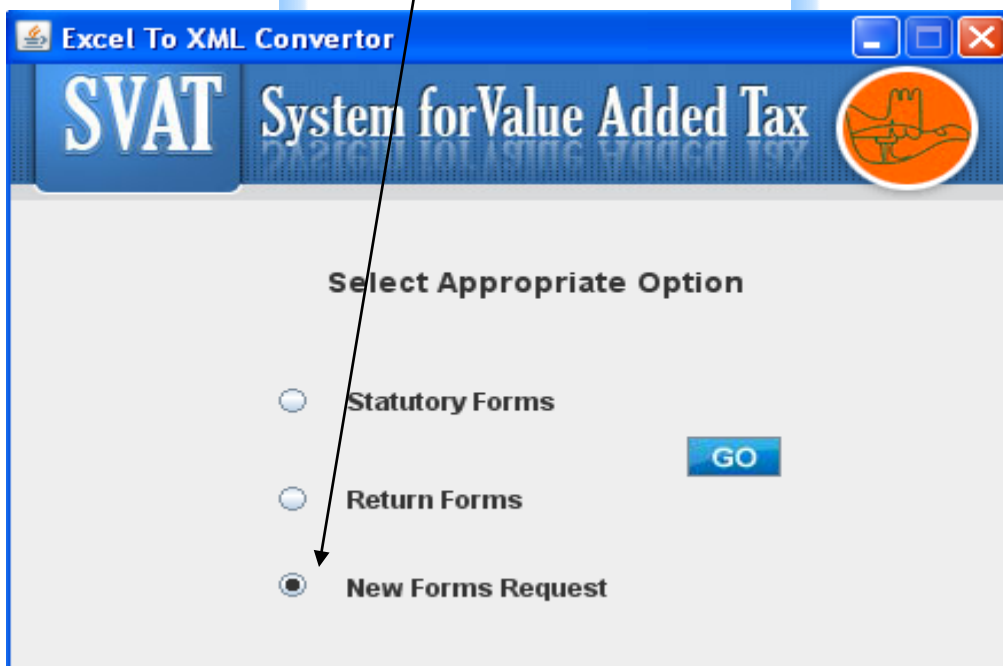

## Instructions for filling excel sheet

1. Enter 11 digit Registered Dealer Tin in the given white color box at the top of excel sheet.
2. In each row: enter Seller Tin Number , Seller Trade Name , Total amount against particular Statutory form and quarter in which the Statutory form is used.
3. All Columns have to be filled compulsory. If value of any column is blank then that row would not be considered.
4. Amount should be the sum of all bills against particular statutory form of a particular quarter.
5. Enter amount value followed by the .00 at the end.
6. Mention quarter associated with statutory forms in the REMARKS column.
7. Total number of rows entered in the excel sheet would be considered as total number of statutory forms requested by the dealer.
8. Use blank excel sheet provided by the department only and do not temper it.

## Step 2: Convert excel sheet to XML

After filling the information regarding statutory forms in the excel sheet, that excel sheet has to be converted into XML by using Excel to XML converter provided by the Excise & Taxation department. Excel to XML converter can be downloaded from the website [http://www.chandigarh.gov.in/how\\_evat.htm](http://www.chandigarh.gov.in/how_evat.htm)

- ✚ Select New Forms Request option in the XML converter and Click GO button.

The screenshot shows a window titled "Excel To XML Converter" with a blue header bar. Below the header, the text "SVAT System for Value Added Tax" is displayed. The main area of the window contains the heading "Select Appropriate Option" and three radio button options: "Statutory Forms", "Return Forms", and "New Forms Request". The "New Forms Request" option is selected, indicated by a black dot in the center of the radio button. A blue "GO" button is located to the right of the options. A black arrow points from the text "Select New Forms Request option" in the instruction above to the selected radio button.

- Enter 11 Digit Dealer's TIN.
- Browse the Form\_Request.xls excel sheet and click Convert Button.

The screenshot displays the 'SVAT System for Value Added Tax' interface. The title bar reads 'FORMS UTILIZATION'. The main header features the 'SVAT' logo and the text 'System for Value Added Tax'. A circular logo on the right side of the header contains the text 'STATE TAXES' and 'CHANDIGARH ADMINISTRATION'. The main content area is titled 'NEW STATUTORY FORMS REQUEST' in red. Below this title, there are two input fields. The first is labeled 'TIN' and contains the value '04250123654', with '(11 Digit TIN)' written to its right. The second is labeled 'Select Excel File' and contains the path 'E:\Form\_Request.xls', with a 'Browse' button to its right. Below the file path, a note states 'File Name Should Be Form\_Request.xls'. A large 'Convert' button with a green circular arrow icon is positioned below the file path. At the bottom of the form, there is a 'Back' button. A red instruction at the bottom reads 'Click Convert Button To Convert Excel File To XML'. Two arrows from the instructions above point to the 'TIN' field and the 'Convert' button.
