CS | Dear Chief Secretary -

I would like to draw your kind attention to Notification No. FX-1/3/2024-PR dated 24th January, 2025 issued by this Department regarding implementation of Unified Pension Scheme (UPS) with effect from 01st April, 2025. UPS will be available as an option under National Pension Scheme (NPS) to all Central Government employees.

2. It may be noted that UPS is a defined benefit contributory pension scheme. Assured payout under the scheme relies on the regular and timely transfer of applicable contributions by both the employee and the employer so that individual corpus value of employee matches ideal benchmark corpus value. Regulations made by Pension Fund Regulatory and development authority (PFRDA) in this regard clarify the matter further. Delays or lesser transfer of applicable contribution may lead to situation of individual corpus being less than benchmark corpus and its consequent impact on 'assured payout'.

3. On various occasions in the past we have conveyed issues related to delayed remittance of employer's and employee contributions by State Governments under NPS. In this matter, I would like to bring to your kind notice that for All India Service (AIS) officers opting for UPS, such contributions will be made by their respective States cadres. As stated earlier, any delay or lesser transfer of contribution may adversely impact assured payout for them post-superannuation.

4. I would therefore reiterate request to kindly issue suitable directions for timely remittance of employee and employer contributions in NPS and in UPS (for those who opt). It is emphasized that under UPS not doing so may have an impact on the assured payout.

With regards,

Yours sincerely,

M. Nagaraju

To
The Chief Secretaries of all States/UTs

Subject: Timely Implementation of Unified Pension Scheme for All India Services officers.

Sir/Madam,

The Department of Financial Services (DFS), vide Notification No.FX-1/3/2024-PR dated 24.01.2025, has notified the implementation of the Unified Pension Scheme (UPS) under the National Pension System (NPS), with effect from 01.04.2025. This is further supported by the Pension Fund Regulatory and Development Authority (Operationalisation of Unified Pension Scheme under National Pension System) Regulations, 2025, notified on 19.03.2025.

2. The UPS provides a defined benefit contributory pension framework for Central Government employees, including All India Services (AIS) officers. The scheme is designed with an Individual Corpus and a Pool Corpus, with specific contribution responsibilities for employees and the Government. For All India Service (AIS) officers opting for UPS, such contributions will be made by their respective States cadres. Notably, timely and full remittance of both employee and employer contributions is critical to achieving the benchmark corpus and ensuring the assured payout under UPS. Any delays or shortfalls in the remittance of contributions under NPS and UPS can severely impact the retirement benefits of the AIS officers.

3. Accordingly, all State Governments/UT Administrations are requested to:

- ensure prompt onboarding of eligible AIS officers who opt for UPS, in accordance with the prescribed timelines.
- ensure regular and timely remittance of employee and employer contributions under both NPS and UPS, as applicable.
- sensitize the concerned departments about the critical nature of compliance to avoid adverse financial implications for officers.

Your cooperation in the successful and smooth implementation of the UPS is highly solicited.

Yours faithfully,

(Bhupinder Pal Singh)

Under Secretary to Government of India
